

HUMANITIES

ENTRY PATHWAYS LEVEL 2/3

Are you interested in the world around you and your place in it?

Do you want to understand how life has changed in this country and abroad in recent times?

Then this is the course for you!

This qualification develops skills and knowledge in:

- History
- Geography
- Religious studies

There is a wide range of units on offer. Examples of Units you could study:

- Religious Charities
- Famous Follower of Religion
- Persecution of People
- Looking at your History
- A British Society in the Past
- A non-British society in the Past
- People and Protest
- The Changing Population of the UK
- Fragile Environments
- Volcanoes, Earthquakes and Tsunamis
- Sustainable Tourism
- Renewable Energy
- Working as part of a group
- Environmental Awareness

Each Unit has a credit value leading to different levels of certification. You can achieve:

Award (8 or more credits)

Certificate (13 or more credits)

Diploma (37 or more credits)

Local visits and practical activities will play an important part of your learning, making this an accessible course for the whole group.

Assessment:

All work is internally assessed throughout the two years with no external exams, and takes a wide range of forms: posters, presentations, group work, reports etc.
