

Home Learning Grid Sycamore Class Spring Term 2017

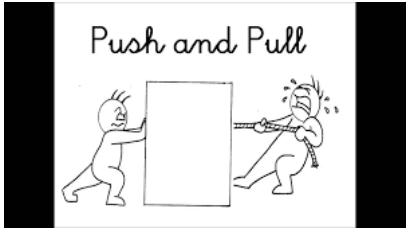

Complete an activity each week and hand in to Miss Round on a Monday.

**Every week: Spellings - practise your spellings every day.
Reading - read as often as you can to an adult or a sibling.
Maths and Literacy Homework – Mrs Hayes will give this to you 3 x a week.**

Make three different ramps out of different materials and see which one a car travels fastest down. What do you need to keep the same each time for it to be a fair test?

Find 5 things in your house that use a push force, and 5 things that use a pull force. Record them in a table.

Make a parachute for one of your toys. If you change the size of the parachute does it fall faster or slower? Write down what you find out in your book.

Write a shopping list of your favourite foods and use the internet to find out how much they cost.

Design and make a pirate ship from recycled materials.

Make an underwater scene using paint, pencils or scraps of material.

Draw a picture of yourself and write why you make a good friend.

Make a treasure map with instructions on how to find the treasure.

Find out about a famous pirate and write a fact file about them.

Pirates often sailed the seas of the Caribbean. Use an atlas to find out where in the world this area is. Label it on a map.

Find out about one of the jobs of a Pirate crew member, and write a diary of their day.

Write out a page of your favourite book in your best handwriting. Highlight all the 'what like' words.
