| Class Group | Autumn Term |  | Spring Term |  | Summer Term |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  | First half | Second half | First half | Second half | First half | Second half |
| Eta - Year 7 (OM) | Sequences and Algebra | Place Value Ordering integers and decimals <br> Equality and Equivalence | Solving Problems with Addition and Subtraction <br> Solving Problems with Multiplication and Division | Fractions of an amount <br> Directed number <br> Addition and subtraction of fractions | Constructing, measuring and using geometric notation <br> Developing geometric reasoning | Developing number sense <br> Sets and probability <br> Prime numbers and proof |
| Alpha - Year 8 (OM) | Analysing and displaying data <br> Calculating | Expressions, functions and formulae <br> Graphs | Factors and multiples | Decimals and measures | Measuring and shapes <br> Fractions, decimals and percentages | Transformations |
| Beta - Year 8 | Number properties Ratio \& Scale <br> Multiplicative change <br> Multiplying and dividing Fractions | Working in the Cartesian plane Representing data Tables \& Probability | Brackets, equations <br> \& inequalities <br> Sequences <br> Indices | Fractions \& percentages Standard index form Number sense | Angles in parallel lines \& polygons Area of trapezia \& circles Line symmetry \& reflection | The data handling cycle <br> Measures of location |
| Year 9 - Set 1 (Mrs Jordan) | Basic Number <br> Factors and multiples <br> Angles <br> Scale diagrams and bearings Basic algebra | Basic fractions Coordinates and linear graphs Basic decimals Rounding Collecting and representing data | Sequences <br> Basic percentages Introduction to perimeter and area | Introduction to circumference and area Ratio and proportion Basic probability | Equations Scatter graphs | Transformations Pythagoras theorem 2D representations of 3D shapes |

| Year 9-Set 2 (Mrs <br> Walker) | Place value and <br> rounding <br> The 4 Operations <br> Factors and <br> Multiples | Basic algebra <br> Fractions and <br> Decimals <br> Converting metric <br> units | Calendar and Time <br> Angles <br> Scale diagrams and <br> bearings | Perimeter and Area <br> Coordinates and <br> linear graphs <br> Collecting and <br> representing data | Sequences <br> Basic percentages <br> Ratio and proportion | Basic probability <br> Equations |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- |
| Year 9 - Set 3 (Mr <br> Priestley) | Place Value <br> The 4 operations | Fractions <br> Ratio | Money <br> Decimals | Calendar and Time <br> Perimeter and Area | Statistics <br> Geometry (Position <br> and Direction) | Geometry <br> (Properties of <br> Shape/ angles) |
