

H

Are you a parent, grandparent, family member or carer of a deaf child at Heathlands school?

We are running a Family Support Group

The session aims are -

- To network with other families of deaf children
- To ask questions, discuss and share experiences of raising deaf children at home and school
- To support communication within the family
- To have an opportunity to learn BSL signs based on vocabulary you might want to know, either school or home related.

The sessions will run weekly commencing Thursday 20th April to 13th July 2023 at 10am for approximately an hour via Zoom (Term time only).

Please email

bsl@heathlands.herts.sch.uk

If you would like to attend.
